

The diagram illustrates the user journey for a Polls Administration system, showing the sequence of actions and the resulting pages. The journey starts with a user logging in, followed by navigating through various administrative functions like adding questions, groups, and users, and finally returning to the home page or poll details page.

Pages and URLs:

- Page 1:** `http://localhost8000/admin/login/?next=/admin/` (Login page)
- Page 2:** `http://localhost8000/admin/polls/` (Polls Administration main page)
- Page 3:** `http://localhost8000/admin/polls/question/` (Polls Administration questions page)
- Page 4:** `http://localhost8000/admin/auth/group/` (Polls Administration groups page)
- Page 5:** `http://localhost8000/admin/auth/user/` (Polls Administration users page)
- Page 6:** `http://localhost8000/admin/auth/` (Polls Administration authentication and authorization page)
- Page 7:** `http://localhost8000/admin/` (Polls Administration home page)
- Page 8:** `http://localhost8000/admin/polls/` (Polls Administration poll details page)
